Well Pet Plans are a convenient and affordable way to provide the care your Pet needs. A *Well Pet Plan* is a pre-paid collection of discounted healthcare services for your Pet.

Well Pet Plans are NOT Insurance - They're much better! They focus on preventive services that keep your Pet healthy.

By focusing on prevention, *Well Pet Plans* help your Veterinarian better understand your Pets regular health care needs. Because your Veterinarian understands your Pets health baseline, they are more likely to detect a problem before conditions worsen. Early diagnosis can also result in a better prognosis.

Our goal is to help Pet owners provide the very best Veterinary care to their Pets.

Every *Well Pet Plan* includes:

- ✓ Four free office visits & exams
- ✓ Discounts up to 50% on in-plan services
- ✓ Discounts up to 15% on out-of-plan services

***Well Pet Plans* let you provide for your Pets preventive care with affordable monthly payments, spread over 12 months, and no interest!**

Can I use my Plan at any Veterinary Practice?

When you enroll, you choose the location and the doctor that are best suited for you. In-plan services are provided at that location. Your out-of-plan discount is available at any Well Pet Provider.

Is my Plan transferable if I move?

Yes! Simply locate the nearest Veterinary Hospital that offers *Well Pet Plans*. They can transfer your records. A new 12-month plan will be started at the new location. For more information, see your Well Pet Agreement.

Is it possible to cancel my Well Pet Membership?

All of our plans are annual agreements, which allow for you to pay for your services, interest free over a 12-month period. You may cancel your plan at any time before the expiration date, by either paying the retail value of your plan services used, or the remainder of your plan's value, whichever is less.

Please read your Well Pet Health Care Agreement for complete terms and conditions of membership.
